Of Bedford County

Imagine a child going to bed hungry, a family choosing between rent or groceries, or an elderly neighbor needing support to stay in their home. These are the realities many face in Bedford County—but they don't have to face them alone.

The United Way of Bedford County's annual campaign is more than just fundraising—it's a lifeline. Your contribution provides safety, education, stability, and hope to those who need it most. Every donation, no matter the size, sends a powerful message: You are not alone.

Your generosity supports vital programs like *Shop with A Cop*, *Women United*, and *PA 211*. These initiatives help ensure that children thrive, families do not have to choose between basic needs, and seniors live with dignity.

This year, more than ever, our community needs us. Our campaign runs from October 2024 through May 2025, and with your help, we can make a brighter future for everyone. Your generosity touches the lives of 1 in 5 Bedford County residents—people you see in your community every day. Together, we can change lives.

Our Success Stories:

Bedford County Camp Cadet

Allegheny Lutheran Social Ministries
