**2026 “Day of Caring”**

**Thursday April 16,2026**

The United Way of Bedford County will be coordinating the 15<sup>th</sup> Annual “Day of Caring” to be held Thursday April 16th. Teams of volunteers will once again travel across the county to assist individuals needing some help with minor chores around their homes. Though the years we have been able to assist 500 homeowners.

Volunteer teams will also be available to assist local non-profit agencies with minor projects at their facilities.

We are also seeking additional volunteers for projects this year as well as projects. Please contact the Bedford United Way if would like to volunteer or may have projects to submit.

To help offset the cost of the event we are offering two sponsorships levels

1. **Yard Signs \$100.00** Yard signs for this year’s work sites. The signs with the sponsors names will be left in the homeowners’ yards after the work has been completed.
2. **Event Sponsorship \$500.** This will include signage and recognition on social media and web site.
